Default interest on other debts **	Default interest rate set by law, which is calculated for a 360-day year
Default interest rate	0.2% per day

(1) Only cheques which indicate Nordea Bank AB Estonia Branch as the redeeming bank can be redeemed.
** ECB rate + 8,05% yearly (0,022% in a day), but not less than the contractual interest rate. The ECB rate is the interest rate of the European Central Bank applied to the main refinancing operations. It is published twice a year (1 January and 1 July) in the Official Journal by Eesti Pank.
